## Partners in Discovery • Exhibit Hall B

### The Andy Warhol Museum

*Warhol's Shoe Stamp Project: In Style and In Demand:* Decorate shoe blanks with color, stamps and fanciful elements just as Andy did during his early years in New York!

### Audubon Society of Western Pennsylvania

Come discover what's happening!

### Cabot Creamery

Sample the cheese now available at your local Giant Eagle.

### Carnegie Library of Pittsburgh

*Dinosaur Stories, Poems and Rhymes* presented by children's librarians for children and adults of all ages! Story times are 11:00am, 12:00pm, 1:00pm, and 2:00pm. Explore a variety of dinosaur activities and crafts.

### Carnegie Museum of Art

A family art activity—create a collage!

### Carnegie Museum of Natural History

Create and decorate your very own Dinosaur Hall!  
*PaleoLab:* Observe museum staff extract fossil material from the rock matrix.  
*Dinosaur Touchables:* See and touch dinosaur fossils and casts from the Museum of Natural History collection.

### Carnegie Science Center

Come discover what's happening!

### Children's Museum of Pittsburgh

*Spin art!*

### Family Communications, Inc.

Meet Mr. McFeely, Master of Ceremonies, and the Purple Panda direct from Mister Rogers' Neighborhood. Ask for an autograph—they will be happy to oblige!

### The Frick Art and Historical Center

Decorate your very own King or Queen of the Dinosaurs crown to wear at the festivities!

### Mattress Factory

*Art You Can Get Into:* Learn about multi-sensory installations in the upcoming exhibition, *New Installations, Artists in Residence.* Create your own kaleidoscope!

### National Aviary

Greet a few of our feathered friends!

### Phipps Conservatory and Botanical Gardens

*Discover the Plant World of the Dinosaurs:* Make a fern fossil, examine petrified wood, and find out which dinosaurs were plant eaters!

### Pittsburgh Center for the Arts

Use simple tools and materials to create a colorful book in which to write your wildest imaginings, thoughts and stories!

### Pittsburgh Cultural Trust

Learn of upcoming events and performances, with ticket giveaways for Kids in the Cultural District, October 26, 2003—the *Flying Karamazov Brothers show.*

### Pittsburgh Parks Conservancy

Learn about Pittsburgh's parks and the critters that call them home. Make a stone critter creation of your own to take with you!

### Pittsburgh Symphony

*Fiddlesticks the Cat* will be present to shake paws and sign autographs! A picture of Fiddlesticks is available to color.

### Pittsburgh Voyager

*River Sci: Three Rivers Alive!* Join us for cool activities that show how to determine the health of our rivers. We will be testing pH, naming macro invertebrates and classifying some real fish!

### Pittsburgh Zoo and PPG Aquarium

Meet some live animals from the Zoo's education department, and examine animal biofacts such as eggs, furs, skulls and more! Join us for an interactive activity on extinct animals.

### Senator John Heinz Pittsburgh Regional History Center

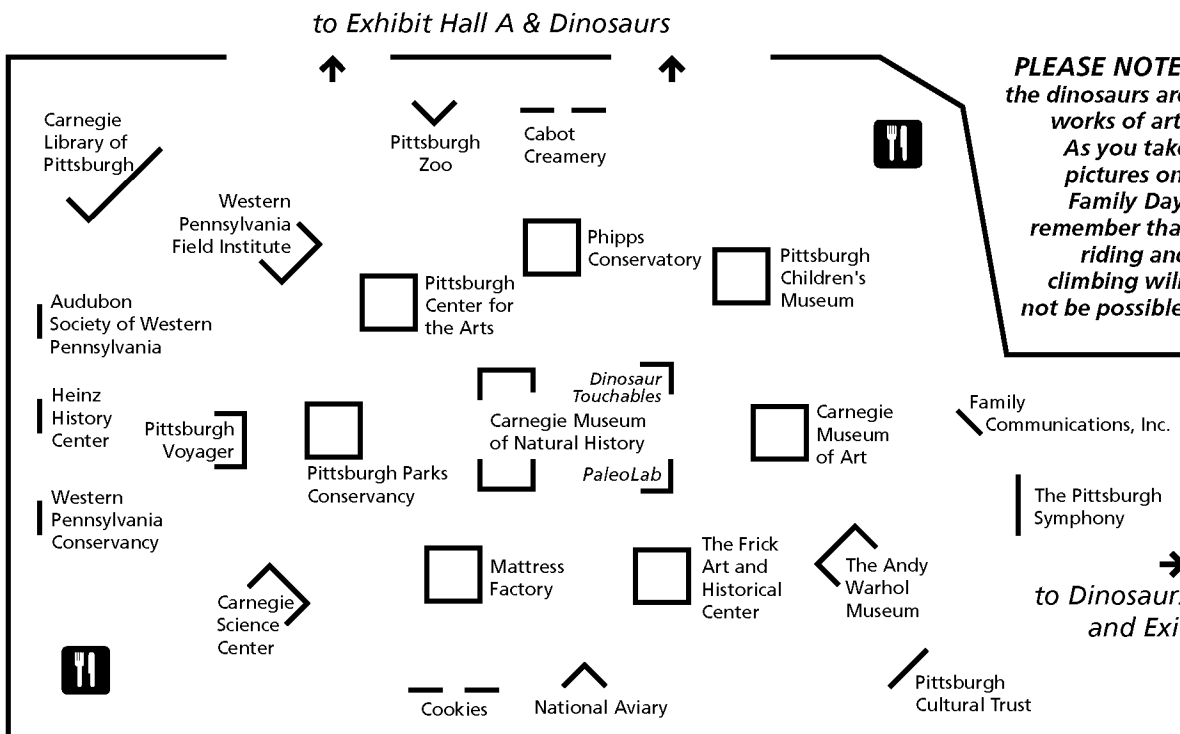

Come discover what's happening!

### Western Pennsylvania Conservancy

*Meet the Dragonfly: A Living Fossil:* Join a fun, interactive and educational activity for kids. Learn about the dragonfly and make one to take home!

### Western Pennsylvania Field Institute

*Family Camping Area:* Test your skills at packing and unpacking!
